The background of the image is a dark, textured surface covered with numerous blue, star-shaped metal fasteners. These fasteners have a central circular hole and four pointed, star-like extensions. They are scattered across the frame, some standing upright and others lying flat, creating a sense of depth and texture. The lighting is dramatic, highlighting the metallic sheen of the fasteners against the dark background.

The background features a complex, abstract pattern. It consists of numerous red spheres, each surrounded by a red ring that overlaps with other rings, creating a mesh-like structure. This is set against a backdrop of blue geometric shapes, including squares and rectangles, some of which are slightly offset or layered, giving a sense of depth and movement. The overall color palette is dominated by red and blue.
